canguiano08@yahoo.com | 541-914-4730

Education

Medical College of Wisconsin
Masters of Art in Clinical Bioethics

May 2015
Wauwatosa, WI

Northwest Christian University
Bachelors of Science in Exercise Science

Dec 2012
Eugene, OR

Experience

Minimally Invasive Specialists,
Radiology Associates PC

Sep 2018 - Nov 2019
Eugene, OR

Interventional Radiology Services Coordinator

Managed the minimally invasive specialty clinic (MIS), and oversaw the relocation of the clinic. This included creating and maintaining new company policy and guidelines. Aside from managing physician assistant (PA) and front office staff, I also coordinated interventional radiology (IR) services with multiple hospital cath labs and imaging departments, along with outpatient facilities. Through community outreach, I managed community networking events for IR education and MIS recruitment of PAs and other office staff.

Department of Plastic Surgery,
Medical College of Wisconsin

April 2016 - Aug 2017
Eugene, OR

Administrative Associate

My core responsibilities were to structure, organize, and maintain the Chairman's schedule and credentials while relocating the facility to a new location. In addition, I performed a wide range of clerical duties for the plastic surgery department to maintain a steady workflow. This included credentialing and onboarding all new staff and faculty, as well as planning and coordinating community events.

PeaceHealth Sacred Heart Medical Center at Riverbend,
Bioethics Committee

Aug 2012 - May 2014
Springfield, OR

Ethics Intern

I served on the hospital's ethics committee and consult team, observed clinical and grand rounds, and participated in patient consultations.

PeaceHealth Sacred Heart Medical Center
at Riverbend

July 2008 - April 2014
Springfield, OR

Certified Nursing Assistant II

I performed standard CNA duties including vitals, rounds, charting, and giving daily reports. I assisted patients in their activities of daily living, and transported patients to and from the radiology department. My goal was to always provide quality patient care and promote positive communications.

PeaceHealth Sacred Heart Medical Center
at Riverbend

July 2008 - April 2014
Springfield, OR

Imaging Assistant

I scheduled patient appointments, verified insurance, answered and directed phone calls, and provided clerical support as the department needed.

Skills

Project Managing

Able to efficiently organize complex projects.

Leadership

Able to think critically and communicate under stressful situations.

Problem Solving

Independently analyze situations to reach clear solutions.
